### AKC OWNER-HANDLED SERIES

The new AKC National Owner-Handled Series allows Owner-Handlers to compete head-to-head against other Owner-Handlers. It not only makes showing more fun, it actually increases the chances for winning at Breed, Group and Best in Show levels.

Participation is easy:

- Simply check the owner-handled eligibility box on this show's entry form
- No additional entry fees
- Owner-handled dogs eligible to compete in Best of Breed including Winners Dog, Winners Bitch and winners of non-regular classes can participate\*

About AKC National Owner Handled Series:

- The AKC Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. This series of special competitions will be offered at select dog shows across the country.
- All dogs that are owner-handled and are not owned or exhibited by professional handlers meet the requirements for this competition. The handler must be an owner of record according to the AKC's records as of the date of the show.
- Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book and the catalog.
- Dogs must be handled throughout the competition by an eligible owner. Professional handlers may not exhibit the dog in any competition during the entire show.
- The top-ranked dogs from the AKC National Owner Handled Series are posted on the AKC National Owner Handled Series Points Ranking page. Rankings of the dogs competing in the Series are compiled based on the Best of Breed, Group, and Best in Show placements in this specific Series competition.
- The 2021 AKC National Owner Handled Series Finals will be held in conjunction with the AKC/Eukanuba show in December 2021. Dogs that finished ranked in the top ten (plus ties) for their breed for the 2021 qualifying year will be invited to compete in the competition. The qualifying period for the 2021 qualifying year is listed on the AKC.org website. Rankings can be viewed at [http://classic.akc.org/ohs/points\\_ranking/](http://classic.akc.org/ohs/points_ranking/).
- Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.
  - o If the Best of Breed winner is Owner-Handler competition eligible, it will automatically be Owner-Handler Best of Breed.
  - o If the Best of Breed winner is Owner-Handler competition ineligible and the Best of Opposite Sex to Best of Breed is eligible, the Best of Opposite Sex to Best of Breed will compete against the eligible undefeated exhibits of the other sex to determine Owner-Handled Best of Breed.
  - o If the Best of Breed and Best of Opposite Sex to Best of Breed are both Owner-Handler competition ineligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
  - o If one of the Selects is eligible, excuse all dogs of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
  - o If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are ineligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed.

\*Dogs owned or exhibited by professional handlers, their assistants and members of their household are not eligible to participate.
